## The Details

*Please contact via text or email for scheduling. A contract, which can be downloaded from our website, is due before any property is photographed.*

### Scheduling:

Please text or call (859) 333-0223 or email me at [palumbo1971@gmail.com](mailto:palumbo1971@gmail.com) from 10am-5pm for scheduling property photography and provide as much information as possible about the shoot. Dates that are on short notice may not be able to be accommodated.

A signed contract must be completed before images are taken. Images will be delivered via our website with download and a usage agreement attached. Images will be web ready for quick upload.

### At the Shoot:

The client must provide lockbox information or meet the photographer at the property. The client is responsible for making sure the homeowner has made a reasonable effort to tidy up the house. This includes: trash, beds made, closets tidied, pets managed, rooms removed of clutter and distracting clutter. A homeowner checklist is available on our website to help with the preparations before the shoot.

### Cancellations:

A minimum of 24 hrs will need to be given if there is a cancellation or a need to reschedule. If there is inclement weather, the shoot will be rescheduled at the earliest time possible.

### Payment:

A square invoice will be sent on the day of the photography shoot. Payment is due within 7 days or receipt. If paying by check, please mail to the studio at the provided address.
